Objective

Computer Science student with a strong interest in Software Development and Web Technologies. Skilled in C++, HTML, CSS, and JavaScript, with knowledge of Object-Oriented Programming and Data Structures. Seeking a Software Development Internship to apply technical skills, enhance problem-solving abilities, and gain hands-on experience through real-world projects.

Education

Faculty of Information Technology, MUST University

Bachelor of Computer Science

Expected Graduation: **2028**

Technical Skills

Programming Languages

- C++
- JavaScript

Web Development

- HTML5
- CSS3
- JavaScript

Computer Science Fundamentals

- Object-Oriented Programming (OOP)
- Data Structures
- Problem Solving

Projects

Skyline Airlines Website

- Designed and developed a responsive airline website using HTML, CSS, and JavaScript.
- Created a modern and user-friendly interface.
- Applied responsive design techniques to ensure compatibility across different screen sizes.
- Improved user experience through clean layout and interactive components.

To-Do List Application

- Developed a task management application using HTML, CSS, and JavaScript.
- Implemented task creation, deletion, and completion features.
- Used Local Storage to save tasks and maintain data after page refresh.
- Added task filtering and dynamic task counters.

Courses

Web Development Fundamentals

- HTML5
- CSS3
- Responsive Design
- JavaScript (ES6)

Computer Science Fundamentals

- Object-Oriented Programming
- Data Structures
- Problem Solving

Activities

- Continuously learning Software Development through online resources and personal projects.

- Practicing problem-solving and algorithmic thinking.
- Building web applications to improve front-end development skills.
- Exploring modern web development best practices.
